PETITION TO ACCEPT COLOR DRAWING  
(37 C.F.R. § 1.84(a)(2))

Dear Sir:

This petition is for the acceptance of color drawings and color photographs (37 C.F.R. § 1.84(a)(2) and (b)(2)). Attached hereto are three (3) sets of color drawings and photographs. Also attached is a Preliminary Amendment amending the description of the drawings.

The reason(s) for the need for color drawings or photographs in this application is/are as follows: the nature of the drawings and photographs is such that they would not be discernable in black and white. Black and white would provide insufficient contrast and would render it difficult to discriminate details in the figures. Please charge our Deposit Account No. 12-1095 in the amount of \$130.00 covering the fee set forth in 37 CFR 1.17(i). In the event there are any additional fees due or owing in connection with this matter, please charge same to our Deposit Account No. 12-1095.

Dated: August 20, 2002

Respectfully submitted,

By
